

Housing Helps Competition Application Form

Name of organisation:

Name and contact details of lead contact at organisation in relation to this proposal:

Where did you hear about the competition?

Describe in one or two sentences what the social injustice is:

Please give a 350-word synopsis of your organisation:

If you intend to commission the research to a third party, please indicate who, if it is known:

Please detail any further funding that has been agreed or allocated to this project:

Please give an outline of your proposal in less than 1000 words (use further sheets if required):

Please include details, as far as you are able to, of client group, quantification, causes and characteristics of need, how the feasibility study might progress, for example how your findings could develop and be put forward for wider social investment.

You should also consider any hypothesis you might wish to test through the research, the role housing/accommodation need plays in the problem or that housing stock could play in the solution and how the study might fit in to Commonweal's own mission and objectives.

Please return this form by email to info@commonweal.org.uk or post to Commonweal Housing, Unit 311, The Blackfriars Foundry, 156 Blackfriars Road, London, SE1 8EN no later than midday 31 January 2019
